

PANTRY CLOSED END DECEMBER AND IN JANUARY

We are in the final weeks of 2011 with Christmas basket distribution on Dec. 17th. After that date the pantry will be closed, except for emergency food. Windsor Human Development will reopen on Feb. 1, 2012. The pantry had some interesting challenges this year and everyone is looking forward to some relaxation with our families. A reminder the pantry will be closed if there is a major snow storm. We are always clear that safety comes first for both clients and volunteers. We wish you a safe and joyous holiday season.
